2010 was the first time this list was published - please help us to make it more complete; e-mail Research Director Marilize van Romburgh at mvr@pacbiztimes.com with updates and companies to nominate. **Sources:** Phone, fax and e-mailed surveys and Internet research. **Notes:** <sup>1</sup> PMSM Architects was formerly known as Phillips Metsch Sweeney Moore. <sup>2</sup> TWIW has two tri-county locations — one in Ventura and the other in Santa Maria. To qualify for this list, companies must have been in continuous operation and have been in the same core business since the founding date provided. Changes in ownership and name are permissible for the purposes of this list. In the case of ties, companies were ranked alphabetically; a duplicate number in the rank column indicates a tie. n/a = not available or that the company chose not to disclose the information. This list was completed in September 2010.
